Cardholder means the person in whose name the Card is issued, including a account administrator or authorized user. Cardholder may also be referred to as "You" and "Your."

Dollar and **\$** means Canadian dollars.

Good Standing means a Card account which the Cardholder has not advised the Policyholder to close or for which the Policyholder has not suspended or revoked credit privileges or otherwise closed the Card account.

Insured Person means a Cardholder and where specified, certain other eligible persons as outlined under the applicable coverage.

Manufacturer's Written Warranty(ies) means an express written warranty issued by or on behalf of the manufacturer of the Personal Property at the point of sale at the time of purchase of Personal Property. The Manufacturer's Written Warranty must be valid in Canada.

Personal Property means a new item of personal property for personal use.

2. Extended Warranty and Purchase Security Insurance

Insured Person means a Cardholder who pays for Personal Property by charging the full cost to a Card.

Extended Warranty provides an extension of up to one extra year to most Manufacturer's Written Warranties for Personal Property. Purchase Security insures against direct physical damage or theft for 90 days from the time of purchase. The principal provisions relating to the coverage and payment of loss under the Policy are summarized in this Certificate of Insurance.

The Extended Warranty and Purchase Security Insurance coverage described in this Certificate of Insurance is automatically terminated if the Cardholder or Insured Person ceases to fall within the Definitions, Provisions, Conditions, coverage or Limitations and Exclusions.

A. When Coverage Begins

All coverage for a Cardholder will take effect at the time the Cardholder becomes an Insured Person by paying for the Personal Property by charging the payment to the Card.

B. When Coverage Ends

An Insured Person's coverage will end at the earliest of the following:

- the date the Card account ceases to be in Good Standing; and
- for Extended Warranty, at the expiry of the extended warranty period.
- for Purchase Security, 90 days after the date on which the Personal Property is purchased.

C. Extended Warranty Coverage

The Insurer will extend for Insured Persons the Manufacturer's Written Warranty on goods and products purchased anywhere in the world. The extension is equal to the length of the Manufacturer's Written Warranty or one (1) year whichever is less (extended warranty period).

The Insurer, at its sole option, will pay the cost of either repairing, rebuilding, reconditioning or replacing Personal Property that failed during the extended warranty period and would have been warranted had the Manufacturer's Written Warranty still have been in force. The full cost of the Personal Property must be charged to the Card.

Limitations and Exclusions

Losses are limited to costs which would have been waived had the Manufacturer's Written Warranty still been in effect. The Insurer will only pay for covered loss or damage to an amount not exceeding the least of

1. the actual cash value of the services; or
2. the actual cash value of the property at the time the covered loss occurred; or
3. \$25,000 per item or set of items; and to a maximum aggregate limit of \$50,000 during the lifetime of a Cardholder.

The following goods and products are not covered under Extended Warranty:

1. items that cannot be serviced in Canada under the item's Manufacturer's Written Warranty;
2. items with a Manufacturer's Written Warranty greater than five years in length;
3. automobiles, motor boats, airplanes, motor cycles, motor scooters, mopeds, and other motorized vehicles or equipment, except motorized wheelchairs and residential property maintenance equipment;
4. items damaged while undergoing any process or while being worked upon, where damage results from such process of work; and
5. delay, loss of use, or consequential damages.

D. Purchase Security Coverage

The Insurer will indemnify Insured Persons for DIRECT PHYSICAL DAMAGE or THEFT to Personal Property. This indemnity is not primary insurance.

Limitations and Exclusions

Indemnification for loss is limited as follows:

1. \$2,500 per occurrence even if the occurrence involves more than one item of Personal Property.
2. The total liability shall not exceed the amount charged to the Card.
3. The total limit of liability for property purchased with a partial payment utilizing the Card will be prorated based upon the percentage the partial payment utilizing the Card bears to the full purchase price.
4. Claims for items belonging to a pair or set will be paid for at the full purchase price of the pair or set providing the items are unusable individually and cannot be replaced individually.

- Valid claims will be satisfied, at the Insurer's sole option, either by replacing, repairing or rebuilding the item or by cash payment.

There shall be no payment for loss arising from the following perils:

- flood or earthquake;
- war, invasion, hostilities, rebellion, insurrection, confiscation by order of any government or public authority or risks of contraband or losses arising from illegal activity or acts;
- normal wear and tear, including damage to sports equipment due to the use thereof;
- mysterious disappearance, lost items;
- radioactive contamination;
- inherent product defects; or
- theft from on or in a motor vehicle.

There shall also be no payment under the Policy for loss:

- of cash, or its equivalent, travelers cheques, tickets and any other negotiable instruments;
- of animals, fish, birds or living plants;
- of jewellery and watches in baggage unless carried by hand and under the personal supervision of the Insured Person or Insured Person's traveling companion, previously known to the Insured Person;
- of motorized or self-propelled vehicles of any kind, their accessories or attached equipment except for motorized gardening equipment, snow blowers or wheelchairs;
- to property as a result of direct physical abuse to the property by or at the direction of the Insured Person or the Insured Person's immediate family;
- to property where the property was procured by the Insured Person through fraud or illegal means; or
- where the Insured Person knowingly makes a false or fraudulent claim.

E. Other Insurance

The insurance under the Policy is supplementary. This insurance coverage is in excess of any other applicable valid and collectible insurance or indemnity available to Insured Persons. The Insurer will be liable only for the excess of the amount of loss over the amount covered by other insurance or indemnity, and for the amount of any applicable deductible, after all other insurance or indemnity has been exhausted. Insurance provided by this Policy will not apply as contributory insurance and this non-contribution shall prevail despite any non-contribution provision in other insurance or indemnity policies or contracts. The Policy will indemnify Insured Persons only to the extent that direct physical damage or theft is not covered by such other insurance.

F. Gifts

Personal Property given as gifts are covered for Purchase Assurance and Extended Warranty Insurance. In the event of a claim, the Cardholder, not the recipient of the gift, must make the claim for benefits.

G. How to Claim

The Cardholder must notify the Insurer immediately after learning of any circumstance likely to give rise to a claim by calling **1-855-255-5205** from Canada and the United States or **613-634-4991** collect from elsewhere in the world.

The following general information is required for all claims:

- date and details of item purchased including copy of invoice and charge slip;
- estimated amount of claim;
- details of report given to authorities (if theft); and

The Insurer will provide, if necessary, any claim forms to the claimant as soon as reasonably possible but not later than 15 days after being notified of the claim. The Cardholder may be required to send, at the Cardholder's expense and risk, the damaged item on which a claim is based, to the Insurer.

3. General Provisions and Statutory Conditions

Unless otherwise expressly provided herein or in the Policy, the following general provisions apply to the benefits described in this Certificate of Insurance.

Failure to provide written notice or furnish proof of claim within the time prescribed herein does not invalidate the claim if the written notice or proof is given or furnished as soon as reasonably possible, and in no event later than one year from the date a claim arises hereunder, if it is shown that it was not reasonably possible to give notice or furnish proof within the time so prescribed. If the notice or proof is given or furnished after one year, Your claim will not be paid.

B. Payment of Claim

The Insured Person shall give the Insurer all such assistance as is reasonably required to secure its rights and remedies, including the execution of all documents necessary to enable the Insurer to bring suit in the name of the Insured Person.

D. False Claim
